Lighting and Heating Plant.

A company of Plymouth business men have applied for a franchise to light and heat residences, business houses, and other buildings in the city of Plymouth with gas.

The council discussed the matter at its meeting Monday evening and adjourned until Thursday evening to further an ordinance granting the franchise.

There are a number of points that ought to be considered in granting the franchise. There is and should be no opposition to such a plant in Plymouth provided the franchise is properly guarded, but the right kind of an ordinance at the outset will save considerable trouble and misunderstandings in the future.

The Stitch in Time.
